

MUSASHI

Experience Japanese's Advanced Sealing Technology

MADE IN JAPAN

For leading Japanese car brands such as

ISUZU

Distributed by:

P.O. Box 27691
Jebel Ali Free Zone South Dubai, UAE
Mineral Circles Bearings

Brand that provides excellent bearing protection against contaminants, oil and grease leakage.

Advantages

- ❖ Long shelf life
- ❖ Easy assembly
- ❖ Low Friction properties
- ❖ Engineered to withstand humid and hot temperatures
- ❖ Ability to perform in extreme environments
- ❖ Can be installed without using any mounting tool
- ❖ Increased strength properties to work in stressful environments
- ❖ Automotive oil seal usually fits in industrial machinery but not vice versa
